PROFILE INFO

As an experienced web developer with over two years of experience in Adobe Experience Manager (AEM) and website design, I possess a unique blend of creativity and analytical skills. I am a highly motivated individual who thrives in team environments and excels at problem-solving.

WORK EXPERIENCE

AEM developer - Frontend Capgemini Belgium

2020 - now

Working as Adobe Experience Manager Developer with a focus on frontend. Also working with Adobe Campaign, Launch and Analytics.

Lead Frontend developer Open Summer Of School

2020

As a lead frontend developer, built a platform to digitally manage the financial documentation of political campaign expenses and incomes for election candidate.

Internship at Skedify

2020

As a full-stack developer, I specialized in redesigning web applications and utilizing my expertise in React.js and UI/UX design to bring the project to completion.

Frontend developer AZ Sint-Lucas Ghent

2019-2020

As a frontend developer, built an AZ Sint-Lucas Kids webApp to teach young children about AZ Sint-Lucas Hospital so they don't get scared of the hospital.
